

The Company

This section describes basic information about your company. You should include or describe the following:

- The name of your company
- Your company's physical location
- Mailing address
- Information about the legal structure
- Start date of your company
- Accomplishments to date
- Major accomplishments
- Where your company is with respect to where it is going
- Have you received funding before
- Are you seeking funding and if so, how much and how you plan to use the funding
